## Insurance Policy

Shantala Boss, LMHC will be changing policies for those customers who use insurance to pay for services. As of March 1, 2019, all clients who would like their insurance billed for services will be charged an administrative fee of \$30.00, in addition to any potential copay. This includes EAP services. If the deductible has not been met, the fee will be the allowable amount by the insurance policy plus the \$30.00 fee. It is the patient's responsibility to find out this information before hand if they want their insurance billed. It is understandable if you are unwilling to use our services due to this fee. However, if you understand this fee and are willing to comply, please sign below.

I, \_\_\_\_\_, understand that Shantala Boss, LMHC charges an administrative fee of \$30.00 per session. This fee will be in addition to any copayment that may apply. I will contact my insurance provider before our session to find out what my copay is with my current plan and if my deductible has been met.
